Revd Dr Munther Isaac

Following the launch of [Cry for Hope - A call To Decisive Action](#) by Kairos Palestine and the Global Kairos for Justice coalition, Rev Dr Munther Isaac will be exploring the theology and drivers behind this important document, the very real threat to the existence of Palestinian Christians in Palestine, and the urgent response needed by the Global Church in the face of Israel's proposed annexation plans.

Omar Haramy

Sabeel Jerusalem have been working extensively on a new document regarding antisemitism, and how antisemitism is being used as a weapon to silence critics of Israel's occupation. He'll be introducing the resource, and speaking in detail about the content, and making the links between real antisemitism and racism issues across the world, including racism against Palestinians.
