There was nothing to report from the CAB or the Bible Society.

In response to the treasurer's report there were two questions. Father Whale asked if the £250 given to the Jubilee Debt Group was going to be repaid since the balance in that account was now £842. The treasurer replied that the £250 was given towards the cost of the Event at St Saviour's and we would not expect it to be repaid, the Jubilee Debt Group should not need to ask for any help this coming year. Mr McDonnell asked how expenditure was decided. The treasurer replied that expenditure other than things like insurance or administration was decided by the Council Meeting.

The meeting approved the treasurer making a request to each Church for a subscription of £15 only for the ensuing year.

6. The meeting expressed their thanks and appreciation for all the work Jenny Schmit had done via FCCT
7. The Chairman asked for any volunteers to work on the Steering Committee having explained the need for a Secretary, two Church Leaders and two Lay members. There was no response. (ACTION)
8. There being no further business the AGM moved into the Council meeting.
