The Marjorie Hickling Bursary Fund is available to help meet part of the cost of a course when parents/guardians cannot afford for a student to attend. The fund was set up in 1981 with money bequeathed to Kilve Court by the late Marjorie Hickling and subsequently money donated by parents of children attending Kilve Court. It has charitable status and Somerset County Council act as chair and trustees of the account. If you need further information of have any questions please contact the office on 01278 741270.

## West Somerset Children's University

### Safeguarding

As parents and carers we cannot help but be aware of the high levels of media coverage in relation to bullying, on line safety, exploitation which encompasses violence, knife crime, drugs, grooming, modern slavery and the links to County Lines nationally and locally faced by our children and young people. Added to which is the risk associated with Apps and chat rooms used by abusers, most recently Roblox. At this time of year, with the schools broken up for the summer holidays, we want to take the opportunity to remind you that there are a number of organisations nationally and locally that can support you if you have any concerns.

You can log onto Somerset choices <https://choices.somerset.gov.uk/025/discussing-things> which has comprehensive guidance and links to organisations that can assist you.

If you are concerned about your children or young people being targeted by criminal gangs and harming your community, you can call CrimeStoppers – speak up, stay safe, your information may result in identifying and arresting the criminals responsible and stop these gangs from harming our children and young people. You can report your concerns anonymously by ringing 0800 555111.
