LETTER FROM A MINISTER

As I write this letter, there is a theme of uncertainty dominating the news stories and the media seems to be full of questions: Who will be the next leaders of the Labour and Conservative parties? Who will be the next manager of the England Football team? And perhaps the biggest question of them all, what will happen to the country following the vote to leave the European Union? Some things, however, do not seem to change: terror attacks and violence continue to make the headlines, rain continues to interrupt the play at Wimbledon and England's football team fails again in a major tournament.

This time of year is a time of change for many. Children finish the Summer term and in September will move to new classes or new schools or universities. Older children may have graduated from university and now, hopefully, face the step into employment. For others, the change is something they look forward to with great anticipation – the change of scene as they take their Summer holiday and perhaps visit places they have never been to before or return to a favourite resort to recharge their batteries.

Change is often unsettling, whether this is a change in employment, home or personal circumstances and the prospect of facing these changes can cause us to be worried or nervous. Even the change of scene brought about by a holiday can generate some worries – will we travel safely and without incident or will our luggage get mislaid or our flights be delayed or cancelled because of circumstances beyond our control?

It is reassuring to know that some things do not change and for me the most important thing for me that does not change is the love of God. The love of God is unending, unchanging and unconditional.

If you are going on holiday, I hope that you will have an enjoyable break and be able to return safely, refreshed and reinvigorated.

FUN, GAMES and TEA PARTIES!

Now that Summer is here, don't forget that CTNP giant games can be borrowed by churches for their events free of charge.
(Giant snakes and ladders, Connect 4, Jenga)

Church members can also borrow the games for a small donation to CTNP.
Please contact Linda or Geoff Morris 01908 617050.

Thanks to the kind people who supported the
Lakes Lane open gardens this year.
A massive £2001 was raised for the Eclipse

12 gardens were open this year and extra money
came in from a raffle, refreshments, face
painting etc.
A fantastic community effort!

SYRIAN REFUGEES

Three Syrian refugee families are arriving in Milton Keynes soon. The Refugees Welcome group is working hard with MK Council and the Red Cross to support them as they arrive, and they will come with very little.

They urgently need donations of furniture and household items. The Church of Christ the Cornerstone has made it possible to take donations of money so that items can be purchased directly.

Thanks to all involved for making the garden party for the Emergency Help Scheme such a great event.

We raised a fantastic £111.78 (profit).

Particular thanks go to Ralph and Jennifer Mazzone for the use of their lovely garden.

Thanks also to the wonderful drivers who give up their time to take local residents to medical appointments throughout the year.

Newport Pagnell Parish Church is hosting a **Flower Festival** during the August Bank Holiday weekend using the English Civil War period as its theme.

We can't guarantee any Roundheads and Cavaliers, but we couldn't let this historic weekend pass without a tribute in flowers in the Parish Church, where events of the Civil War took place over 300 years ago.

The festival will be open **Sunday 28th August, 11.30am to 5pm** and **Monday 29th August, 10am to 4pm** and we will have refreshments for our visitors.
