## CONNECTIONS

September 2016

*Therefore, since we are surrounded by such a great cloud of witnesses, let us throw off everything that hinders and the sin that so easily entangles. And let us run with perseverance the race marked before us. Hebrews 12:v1*

### LETTER FROM A MINISTER

As I write this we are three days into the Olympic games and I am enthralled by it and following every UK athlete's progress. It is inspiring and gives me more of a hunger to play my own sports of football and swimming even though I know that at my age and ability level I shall never win any medals! For an athlete years of training leads to a few minutes of competition in a race. In a few seconds dreams are made or shattered. Training the body to peak condition is tough and requires huge amounts of self discipline and yet by the time a person is past thirty years old they are usually not considered fit or young enough to compete at the top level.

The good news for all of us is that we can train our spiritual muscle at any age. All of us have the chance to do this. You are never too old or young to learn more about God and to make choices about whether we want God to be part of our lives or not. Even when we fail in life God will always pick us up since, unlike our physical fitness levels, God's love for all of us is eternal. His love is constant for all people including those who don't believe in Him!

I find that knowing God is exciting and thankfully I haven't got to be super physically fit in order to know Him. The big step in beginning this relationship with God is to be hungry to know more and to ask Him into your life. Then see what happens!

Revd Nick Evans, Rector of Newport Pagnell Benefice

## **BRAVE THE SHAVE**

Jon Walls who is a deacon at St. Bede's Catholic Church and a former treasurer of CTNP, writes:

"On 30th September I will be having my head shaved for the Macmillan Brave the Shave. I am looking to raise at least £1,500 to support the work of Macmillan Cancer Care. I lost my mum to cancer in 1981, she died in my arms at Willen Hospice, my mother-in-law in 2012, my father-in-law in 2014 - both to cancer - and the disease has claimed too many of my friends.

If you want to sponsor me, please go to the website **[bravetheshave.org.uk](http://bravetheshave.org.uk)** and search for Jon Walls."

## **PILGRIMAGE TO THE HOLY LAND 13<sup>th</sup> – 22<sup>nd</sup> March 2017**

## NEWPORT PAGNELL EDUCATIONAL TRUST

The Educational Trust provides financial support for education of individuals living in Newport Pagnell. The fund was formed following the sale of a property known as Church House. As the original purchase of Church House was in part funded by the community, 37% of the sales receipts were invested to be used for the benefit of the local population. About two thousand pounds are disbursed each year to provide financial assistance to individuals and organisations for educational purposes. The trustees of the fund meet twice yearly, in September and February to consider applications for support and will consider applications for both academic and professional education. If you would like to apply for support, applications should be submitted in writing to The Chair of Trustees, Newport Pagnell Educational Trust, 20 Eliot Close, Newport Pagnell, MK16 8QS.
